Dear Members and Friends:

Namaskar,

I hope everyone is in good health and getting excited about the upcoming holiday season.

As the Covid19 restrictions were nearly lifted, we were hoping to resume all our programs and celebrate all our upcoming festivals in full capacity. However, the new Omicron variant has again put us into few restrictions and some doubts. As a new measure of safety, we now have no choice to adhering to all the Alberta Healthcare guidelines and request full cooperation from our members visiting our Centre. **Effective immediately we now will be checking the QR codes for vaccine passport and current valid ID at the entrance.**

Unfortunately, we will deny entry to patrons who cannot fulfill this requirement.

We are excited to implement our Dinner to Door Program for anyone in need starting January 2022.

We are also hoping to start our project to replace the roof of the center in early spring. I thank the members who have already come forward with donation pledge towards this unavoidable major repair.

I am thankful to my Board Members and volunteers who all make running the day to operation of the center and the members who despite of their age, medical conditions and horrible weather, attend the programs.

I am enclosing a four-month program for all of you along with the 2022 Vrat list. Please note that the programs can change based on the circumstances and Covid19 situation. I request you to follow Hindu Society's Facebook Page for up-to-date information and updates.

For any enquiries regarding any programs, I can be reached at 780-951-3700.

Sincerely,

Amar Bhasin
President
